X MG BY THE SEA

40th MGCC Italia Anniversary

26 MAY – 1 JUNE 2014

GABICCE MARE (PESARO-URBINO)

Further to the previous editions of MG BY THE SEA, this time it is going to be a special one, because it will be the **10th Anniversary** of this event, which took place the first time in 1992, and also because there will be the continuation of the celebrations of the **40th MGCC Italia Anniversary** from the year before.

One more time this small and exclusive sea resort, now famous within the international MG family, will host this event being ready to greet its participants with its warm welcome. The special formula of the event is to offer a holiday in a pleasant area where participants can enjoy their MGs by following the many daily activities or simply go to the beach, being free not to participate in the outings and spending a relaxing week.

Gabicce Mare is just where the Adriatic coastline becomes hilly. The area around it is full of history, Roman ruins, medieval castles, art treasures and beautiful countryside.

This time we will visit Montescudo, close to San Marino, the Roe Deer Valley, the Fonte Avellana Hermitage, the Artillery Captain's Castle in Castrocaro Thermal Baths, Villagrande and the Marecchia Valley, Piobbico and the Brancaloni Castle, Sogliano al Rubicone and much more. We will also enjoy musical evenings; tasting of local wines and gastronomic products; competition with an ability test; driving along the mythical Mille Miglia route and great bendy roads. Although this is the X edition of MG BY THE SEA, we always show you something different - new routes, new thrills.

We hope all European MG Car Clubs will be represented.

The number of foreign participants is limited to 120 cars.

Please fill in the attached forms and send them back as soon as possible to:

Those who have not participated on previous occasions will be pleasantly surprised as we will all spend a great holiday amongst friends. Never forget the motto of the Italian MGCC : "MG is...to live freely, together!" which, together with "MG, the marque of friendship", will be the key to a great event. We look forward to seeing you there.
